### **Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

On October 10, 2022, ReWalk Robotics Ltd. (“ReWalk” or the “Company”) received a notification letter (the “Bid Price Letter”) from The Nasdaq Stock Market LLC (“Nasdaq”) indicating that the Company did not satisfy the requirement for continued listing on The Nasdaq Capital Market under Nasdaq Listing Rule 5550(a) (“Rule 5550(a)”) to maintain a minimum bid price of \$1 per share. The Company became deficient with Rule 5550(a) as of October 10, 2022 as its closing bid price was less than \$1 per share for 30 consecutive business days. As in the past, the Bid Price Letter is a notice of deficiency, not delisting, and does not currently affect the listing or trading of ReWalk ordinary shares on The Nasdaq Capital Market.

The Company has 180 days, or until April 10, 2023, to comply with Rule 5550(a) by maintaining a closing bid price of at least \$1 per share for 10 consecutive business days. Additionally, the Company may be eligible for a second 180-day period to satisfy Rule 5550(a)’s minimum bid price requirement, if, as of April 10, 2023, the Company continues to have a market value of publicly held shares of at least \$1 million, meets all other initial listing standards of The Nasdaq Capital Market (with the exception of the bid price requirement) and provides written notice of its intention to cure the deficiency during such second compliance period. The Company intends to monitor closely the closing bid price of its ordinary shares and to consider plans for regaining compliance with Rule 5550(a). While the Company plans to review all available options, there can be no assurance that it will be able to regain compliance with the applicable rules during the 180-day compliance period, any subsequent extension period, or at all.

If the Company does not regain compliance with Rule 5550(a) during the applicable cure period, Nasdaq will notify the Company that its ordinary shares are subject to delisting. The Company would then be permitted to appeal any delisting determination to a Nasdaq Hearings Panel. The Company’s ordinary shares would remain listed on The Nasdaq Capital Market pending the panel’s decision after the hearing. For more information regarding the consequences of a potential delisting, see “Part II, Item 1A. Risk Factors” in the Company’s annual report on Form 10-K for the year ended December 31, 2021, filed with the Securities and Exchange Commission (the “SEC”) on February 24, 2022.

#### **Forward-Looking Statements**

In addition to historical information, this report contains forward-looking statements within the meaning of the U.S. Private Securities Litigation Reform Act of 1995, Section 27A of the U.S. Securities Act of 1933, as amended, and Section 21E of the U.S. Securities Exchange Act of 1934, as amended. Such forward-looking statements may include projections regarding ReWalk’s future performance and other statements that are not statements of historical fact and, in some cases, may be identified by words like “anticipate,” “assume,” “believe,” “continue,” “could,” “estimate,” “expect,” “intend,” “may,” “plan,” “potential,” “predict,” “project,” “future,” “will,” “should,” “would,” “seek” and similar terms or phrases. For example, statements regarding ReWalk’s intent or ability to regain compliance with Nasdaq’s minimum bid price requirement are forward-looking, and there can be no assurance that ReWalk will meet the minimum bid price requirement during the initial 180-day compliance period, any subsequent extension period, or at all, otherwise meet Nasdaq compliance standards in the future, or that Nasdaq will grant ReWalk any relief from delisting as necessary or whether ReWalk can ultimately meet applicable Nasdaq requirements for any such relief. The forward-looking statements contained in this report are based on management’s current expectations, which are subject to uncertainty, risks and changes in circumstances that are difficult to predict and many of which are outside of ReWalk’s control. Important factors that could cause ReWalk’s actual results to differ materially from those indicated in the forward-looking statements are more fully discussed in ReWalk’s periodic filings with the Securities and Exchange Commission (“SEC”), including the risk factors described under the heading “Risk Factors” in ReWalk’s annual report on Form 10-K and 10-K/A for the year ended December 31, 2021 filed with the SEC and other documents subsequently filed with or furnished to the SEC. Any forward-looking statement made in this report speaks only as of the date hereof. Factors or events that could cause ReWalk’s actual results to differ from the statements contained herein may emerge from time to time, and it is not possible for ReWalk to predict all of them. Except as required by law, ReWalk undertakes no obligation to publicly update any forward-looking statements, whether as a result of new information, future developments or otherwise.
